## Tasting notes

A lovely wine offering a deep color and a slightly spicy bouquet with notes of red fruit. Lots of elegance and balance on the palate, with smooth, silky tannins. A good, complex, rounded and well balanced wine.

## Matching with food

A very well-balanced wine to be tried with a rib steak, a peppered steak or a grilled lamb chop. To be tasted between 16° and 18°C

## Cellaring potential

To be enjoyed now, or kept for 10 to 15 years
