## Tasting notes

This dense wine with its deep purple colour offers a complex, expressive nose, revealing various aromas intermingling fruity, spicy notes with a hint of toast. Firm and full on the palate with lots of body and richness.

## Matching with food

A very well made honest wine which will be the ideal accompaniment for a sirloin steak or a baron of lamb. To be tasted between 16° and 18°C.

## Cellaring potential

To be enjoyed now, or kept for 8 to 10 years
